The Ron Ripp Memorial Outing

This annual outing is held in memory of Ron Ripp who passed away unexpectedly at his home on Tuesday, June 22, 2004. Ron was a life-long resident of Cross Plains and was appointed Dane County Surveyor in 1983. In his 30 years with Dane County, Ron guided the Surveyor's Office through an evolution from centuries old manual methods to automated processes. Ron was also very active in the community and had many interests including hunting, fishing, woodcarving, and blacksmithing. But he treasured most the time he spent with his family and friends. Since Ron was a diabetic, the purpose of this outing is to raise money for the American Diabetes Association in his name.
